STEP Grant will Increase Enforcement for Spring Break

El Paso, Texas - The El Paso Police Department will be ramping up traffic enforcement this spring break, thanks to a grant funded through the Texas Department of Transportation Selective Traffic Enforcement Program (STEP). STEP aims to reduce collisions by focusing enforcement efforts in high-crash areas. Additional officers will be working traffic enforcement on an overtime basis until March 27th, 2022. Officers will be targeting all traffic violations, with a particular focus on Driving While Intoxicated offenses.
